COME TROVARE LA MISURA DEL TUO ANELLO

- Stampa questa guida di riferimento accertandoti che non venga ridimensionata. Per essere sicuro controlla con un righello che la bandina da 1 cm qua sotto corrisponda.

- Prendi un anello che calza a perfezione sul dito.

- Posizionalo sui cerchi e trova quello che corrisponde alla dimensione.

- Leggi la misura corrispondente.

- Fatto!
